Subject: Additional comment regarding EPA Cleanup in Columbia Falls

Mr. Parker and Mr. Mylott,

I just left both of you voice messages, I hope this finds you well. My name is Kirk Maltais, I am a reporter with American Metal Market, based in New York. I'm working on an article regarding the EPA's tentative addition of the Columbia Falls Aluminum Company Plant to the National Priorities List, making it eligible for additional study and cleanup resources under the EPA's Superfund program. I was hoping to speak to either one of you to glean some further background outside of the press release, as well as obtain a few quotes we can put on the record. Alternatively, if you could point me in the direction of someone else better suited to talk to, that will also work. If you all could respond at some point this afternoon, that will be greatly appreciated. Thanks so much!

Best regards,

Kirk Maltais
